

CONTENTS

PART-I

The Protected Area : The existing situation

Chapter – I Introduction to the area

- 1.1 Name location, constitution and extent
- 1.2 Approach and access
- 1.3 Statement of significance
- 1.4 Conservation values

Chapter – II Background information and attributes

- 2.1 Boundaries
- 2.2 Zone of Influence
- 2.3 Geology, rock and soil
- 2.4 Terrain
- 2.5 Climate
 - 2.5.1 Rainfall pattern
 - 2.5.2 Temperature
 - 2.5.3 Humidity
 - 2.5.4 Wind
- 2.6 Water sources
- 2.7 Distribution of natural salt lick
- 2.8 Range of wildlife, status distribution and habitat
 - 2.8.1 Vegetation
 - 2.8.1.1 The biogeographic classification
 - 2.8.1.2 The forest types, cover and food for wild animals
 - 2.8.2 Animals
 - 2.8.2.1 Vertebrsted, their status, distribution and habitats, quantity and key areas.
 - 2.8.2.2 The limiting factors

Chapter – III History of management and present practices

- 3.1 General
- 3.2 Timber operations including bamboo and firewood harvest
 - 3.2.1 Silviculture system / old management system
 - 3.2.2 Fuelwood extraction
- 3.3 Leases
- 3.5 Forest Protection

- 3.5.1 Legal status
- 3.5.2 Rights and concession
- 3.5.3 Hunting
- 3.6. Poaching and other illegal activities
 - 3.6.1. Poaching
 - 3.6.2. Illegal cutting of trees
 - 3.6.3. Illegal removal of NWFP
 - 3.6.4. Encroachment & other illegal activities
 - 3.6.5. Domestic livestock grazing
 - 3.6.6. Wild fires
 - 3.6.7. Insect attacks and pathological problems.
- 3.8. Tourism
- 3.9. Research, monitoring & training
 - 3.9.1. Research & Monitoring
 - 3.9.2. Training
- 3.10. Wildlife conservation strategies and their evaluation
- 3.11. Administrative set up
- 3.12. Communication
 - 3.12.1. Status of equipment available
- 3.13. Summary of threats to wildlife

Chapter – IV The protected area and the interface landuse situation

- 4.1 The existing situation in the zone of influence
 - 4.1.1 Eco-fragile zone
 - 4.1.2. Villages inside and outside the PA, Ethnic identities, traditions, customs, relationships between distinct groups of people, relationship with forests.
 - 4.1.3. The state of the people's economy, Vocations, landuse, use of forest and non forest based natural resources by people and seasonal patterns.
 - 4.1.4. Implications of the landuse and resource dependency for the conservation of PA.
 - 4.1.5. Forest/PA management practices and implications for people.
- 4.2. The development programmes and conservations issues
 - 4.2.3. An evaluation of government and non-government agency programmes for development. Implications for the PA, people and the ZI

- 4.2.4. The interplay of market forces and their impact on the subsistence economy of the local people.
- 4.2.5. A summary of problems faced by people that affect the management of the PA & the ZI.

PART- II

Proposed Management

Chapter – V Plan objectives and problems

- 5.1 Objectives of management
 - 5.1.1. Problems in achieving objectives

Chapter – VI The strategies

- 6.1 Boundaries
 - 6.1.1 Zonation
- 6.2 Zone plans
- 6.3 Theme plans

Chapter –VII Tourism, Interpretation and Conservation education

- 7.1 general
- 7.2 Objectives
- 7.3 Problems
- 7.4 The strategies
 - 7.4.1 Identification of the zone
 - 7.4.2 Infrastructure development
 - 7.4.3 Regulations, monitoring and evaluation

Chapter – VIII Ecodevelopment

- 8.1 General Problems
- 8.2 Objectives
- 8.3 Strategies
- 8.4 Village level site specific strategies
- 8.5 Monitoring and evaluation

Chapter – IX Research, Monitoring and Training

- 9.1 Research and Monitoring
- 9.2 Training
 - 9.2.1 On the job training
 - 9.2.2 Formal training courses
 - 9.2.3 Establishing a Learning centre.

Chapter – X Organisation and administration

- 10.1 Structure and responsibilities
- 10.2 Staff amenities

Chapter – XI The budget

- 11.1 The Plan budget

Chapter - XII The schedule of operations and miscellaneous regulations

- 12.1 The schedule
- 12.2 Record of deviations and implemented targets
- 12.3 The record of employment potential
- 12.4 The control forms
- 12.5 Maintenance of compartment histories

Annexures

Abbreviations used

PART- III

Maps and Photographs

List of Annexure

1. Location map of Lawalong WLS.
2. Details of topographical sheets.
3. Statement of demographic details and land availability in villages of LWLS.
4. Details of Boundary Pillars of forest land.
5. Name of forest, demographic details and land details in Core zone.
6. Name of forest, demographic details and land details in Buffer zone.
7. Proposed administrative setup.
8. List of villages and forest area covered by microplan.
9. Statement of area suitable for plantation in Lawalong WLS.
10. List of mammals, reptiles, and fishes of Lawalong WLS.
11. List of Birds found in Lawalong WLS.
12. List of important trees, shrubs, herbs, climbers and grasses of Lawalong WLS.
13. List of the natural water bodies (perennial and seasonal)
14. List of artificial waterhole of the PA.
15. Statement showing fire report in last five years.
16. Details of enclaved villages inside Lawalong WLS.
17. Census figure of Lawalong WLS.
18. List of roads of Lawalong WLS.
19. List of existing building of Lawalong WLS.
20. Notification of Lawalong WLS
21. Government resolution related to formation of EDC.
22. Guidelines for the management of Buffer Zone / Multiple Use Area of Tiger Reserves
23. Rainfall details during last three years.
24. Humidity details during last three years
25. Temperature details during last three years
26. Control forms.
27. Abbreviation Used.

List of Maps

- 1. Location map of Lawalong Wildlife Sanctuary.**
- 2. Zonation map of Lawalong Wildlife Sanctuary.**
- 3. Map showing natural water source and artificial water hole of Lawalong Wildlife Sanctuary.**
- 4. Map showing proposed beats and sub-beats of Lawalong Wildlife Sanctuary .**
